Parents can give children a comfortable and fun place to go with the child-friendly iPotty from CTA Digital. It features a special stand to securely hold the iPad and safely entertain kids while they play with apps. The adjustable stand can be rotated 360° to switch between horizontal and vertical views and also includes a removable touchscreen cover to guard against messy hands and smudges. Parents will be pleased with how simple it is to keep the iPotty clean and minimize messes, with its removable inner potty bowl, potty seat, and splashguard. A clip-on seat cover can be attached to convert the potty to a child activity seat, so they can safely play apps, read and watch videos on the iPad at any time. The stand can also be adjusted to 3 positions or removed entirely to make extra room and easily store away. So, take a step ahead in potty training, delight children and make the learning experience easy and fun with CTA Digital's iPotty for iPad.
